The Food Chain - Sequencing and Matching

A food chain always flows in the same order: sun, grass, rabbit, then fox - each one is food or energy for the next. The pictures below are mixed up - write 1, 2, 3, or 4 in each circle to show the true order.

Try 1 - same 4 links, shuffled

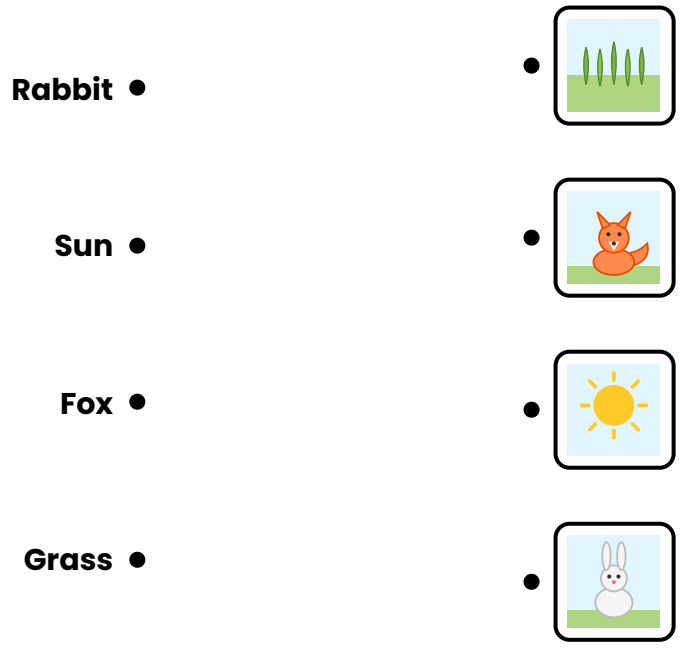

Try 2 - same 4 links, shuffled a new way

Match the word to the picture

Draw a line from each word to the picture it matches.
